Information

Notes

- This document informally advertises the business which the Government anticipates the House will take in the coming three weeks. It should be read together with the formal Order Paper produced by the Clerk of the Parliaments, available from the Printed Paper Office and www.parliament.uk/lords
- Timings in italics are estimates only: business may take more or less time than that estimated. Other times are maximums: business may take less time than the maximum
- Items marked ‡ are expected to be taken during the dinner or lunch break. This usually starts at around 7.30pm or 1.30pm but may start earlier or later
- The advertised business on any day may be interrupted for a Ministerial statement
- The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee

Questions for short debate

A member who wishes to ask a QSD must first table it with the clerks in the Table Office. The question is then printed in a running list in House of Lords Business, a House publication. Members should then consult the Government Whips' Office to agree upon a suitable date when the question can be asked. Otherwise the Government Whips' Office offers time to members to ask QSDs in the order in which they appear in the list in House of Lords Business. The slots available are the dinner breaks on most Mondays, Tuesdays and Wednesdays and end of business on Thursdays (though other business, mainly motions in opposition to SIs, competes for this time) and on occasion in Grand Committee. In addition, the Grand Committee meets for a day of up to four 1 hour QSDs at least for every five sitting weeks. To see the Whips' Office progress in scheduling QSDs and for more detailed guidance, visit www.lordswhips.org.uk/qlds.

Sitting Fridays

The House is expected to sit on the following Fridays: 1 March, 15 March. Further sitting Fridays will be announced in due course.

Recess dates

The Chief Whip has announced that, subject to the progress of business, the House will be adjourned for the following periods in 2019:

- Easter: Friday 5 April to Monday 22 April inclusive
