It should be read together with the formal Order Paper produced by the Clerk of the Parliaments, available from the Printed Paper Office and [www.parliament.uk/lords](http://www.parliament.uk/lords)
- The advertised business on any day may be interrupted for a Ministerial statement
- The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee
